

# Hannibal Central School

Hannibal, New York 13074

Students in grades 7-12 who are in good standing, will be allowed to try out for athletic teams at Hannibal. Tryout opportunities are provided at the beginning of each sport season. Competent supervision will be provided and all student athletes will be determined physically fit before being allowed to participate.

The school has an athletic insurance program with limited fee scales. It provides a secondary coverage. That is, it becomes effective only after personal medical insurance has been utilized. It is extremely important that athletes report any injury promptly to the coach and school nurse so an insurance claim form can be mailed to the student's home.

Athletic equipment will be issued to your child. Students assume full responsibility for its proper use and care during the season. All equipment should be returned in clean condition when called for by the coach.

In some sports such as track and cross country, it may be necessary to use the roads for proper training. Athletes will be instructed to run in single file, facing traffic and to communicate verbally about traffic. Intersections will be supervised to the best of a coach's ability.

Parents and children should read the Athletic Code of Conduct together. It will acquaint you with the procedures and policies of the athletic program as well as the responsibilities of the student-athlete, parents and coaches at Hannibal.

Please indicate the consent for your child's participation by signing below and have your child return the permission slip to the school nurse.

-----  
Participation by students in athletic activities involves some degree of risk of physical injury. Such physical injury can occur in any type of sports activity whether contact or non-contact. Further, many injuries are accidental in nature and involve no negligence on the part of coaches, officials or other students. I acknowledge that, by volunteering to participate in a school sponsored athletic activity, student-athletes could be at risk of a potential accidental injury.

I \_\_\_\_\_ have read the code of conduct and am aware of my
